

**Why St. John's  
Needs Your  
Support**

St. John's Lutheran Church at 3512 Clinton St, east of Union Rd in West Seneca, NY started a congregation in 1864 and has been an important part of the Gardenville community ever since. It was recently discovered that our Church building was not structurally sound and it could no longer be used. The Parish Hall is currently being used for worship services.

A decision has been made to build a new Church that will cost more than \$1,000,000. This will involve long-term fund raising. Thank you for your patronage to help us continue as a part of the Gardenville Landscape.
